APPLICATION FOR RE-HOMING RABBITS

Assisi Homing Programme

Welcome to the Assisi Animal Sanctuary Re-Homing programme. To help you in the selection of your new pet and to help us match you with one of our animals we ask that you complete the attached form.

This form, together with consultation, is designed to help you find an animal which is most compatible with your lifestyle.

To be considered you must-

- Be 18 years of age or older
- Have identification showing your present home address.

Completion of this application does not guarantee that an Assisi animal will be re-homed to you.

Rabbit History

- All rabbits available for re-homing have been examined by a veterinary surgeon. The approximate age stated is a reasonable estimate, based on the appearance and condition of the rabbit.
- The vast majority of these animals are, to the best of our knowledge, in good health and free from any physical defect or infirmity. Whilst every precaution is taken to ensure the health of every animal in our care, Assisi Animal Sanctuary cannot guarantee the health and temperament of each rabbit and no warranty in respect of any rabbit can be given to you.
- You will be informed of any known illness or history of behavioural difficulties.
- All adult rabbits leaving the Sanctuary will be vaccinated / spayed / neutered. If the animal is too young to be spayed / neutered before it leaves the Sanctuary it is your responsibility as the new owner to take the rabbit to the vets to be neutered once it is of an appropriate age.

Our Fees

The cost of providing neutering/ spaying, vaccinations, routine veterinary care and day to day care costs would be in excess of £200 if you were paying a vet's fees for the treatment.

We charge a rehoming fee £30 per rabbit.

To help us meet our increasing costs we would greatly welcome any further donations on top of the rehoming fee.

If you are taxpayer you can also complete a Gift Aid form. For every £1 you donate we can reclaim a further 25p from the taxman!

Benefits

Each rabbit has 4 free weeks insurance cover with Petplan. The insurance cover is available from 6 weeks of age and covers your pet for veterinary fees up to £4000 after the excess of the first £50.

Each rabbit will have both its VHD and Myxomatosis vaccines.

Each adult rabbit will have been spayed / neutered before leaving the Sanctuary.

Your Commitment

If you are accepted to re-home a rabbit:

You will assume full proprietary rights over the animal and will have legal responsibility for any injury, loss or damage sustained by or to a third party caused by the animal.

You will permit an Assisi Home Visitor access to the rabbit/ from time to time to check on its welfare.

Follow Up Advice

Assisi is always available for free follow-up advice on request
